SPONSORSHIP PROGRAM

Interested in pursuing a career in agriculture?

Evergreen FS offers full-tuition sponsorships for students pursuing or currently enrolled in a 2-year agriculture degree program. Post-graduation, join the Evergreen FS team as a full-time employee with competitive pay, career development, and total benefits package including insurance, 401(k), generous time-off program and defined benefit pension!

Eligibility:

- Applicant must be enrolled/accepted into an accredited 2-year agriculture degree program and maintain a 3.0/4.0 GPA or “B” average.
- Student must complete a minimum of 1 internship with Evergreen FS prior to full-time employment.
- Contingent upon full-time employment agreement within Operations at Evergreen FS.

About Us

Evergreen FS serves the needs of Central Illinois farmers by providing a full range of farm supplies and services including seed, fertilizer, crop protection, application services, fuel, propane, grain marketing and storage, structures, custom turf, precision technology, and financing. We serve the counties of DeWitt, Livingston, Macon, McLean, and Woodford.

At Evergreen FS, we take pride not only in our business, but in our people. We’re a strong company with a proven history of success throughout our territory, and we know our greatest natural resource is the people we employ. We know we are made stronger by hiring resourceful, proud, and considerate members of our local communities. Join our team!
